*Extra Bases Baseball Camp will provide campers with quality baseball instruction and authentic game play opportunities. This is the 2<sup>nd</sup> year of Extra Bases and lead instructors have been associated with Harford County Baseball for 20+ years. Members of the staff include varsity head and assistant coaches from Fallston High School along with current and former players from Harford County.*

*Station work allows for a low counselor to camper ratio where campers will work on improving the fundamentals of base running, fielding, hitting, and pitching. Culminating activities will consist of game play and competitions among campers.*

This camp is run by HCPS coaches and players but is not associated with HCPS.
